

On Farm Recording Tools Andrew Cooke Managing Director, Rezare Systems

Rezare Systems

- NZ's agricultural software specialists
- 15 years maintaining SIL
- Team of 30
- B+LNZ Genetics, RMPP, Ravensdown, Fonterra, DairyNZ, Farmax, and more

Context

Notebooks and paper:

- Functional
- No batteries, "waterproof"

Technology

- Increased accuracy
- Removes transcription
- Reduces time in office
- "Waterproof" options

This is a skill that can be learned

Collection

- By Apps On Farm (Rezare, Gallagher)
- Synchronises with SIL
- Mobile App session based
- Integrates with EID and Scales
